ONE DOLLAR PER YEAR

April 26, 1917.

VOCATIONAL CONFERENCE.

CLASSES.

Today Mrs. Lucinda Prince of Simmons College will speak on salesmanship at 5 p. m. in Barnes Hall. Mrs. Prince started and made this department at Simmons College and is thoroughly conversant with her subject. This is a new field for women in which opportunities are excellent. Come and find out about it. Various phases will be presented to you in an extremely interesting manner. Don't forget at 5 p. m. in Barnes Hall.

Y. W. C. A.

The Co-operative Service Bureau at Barnes Hall is trying to fill the numerous orders for work which have been handed in. In fact, the call is greater than the supply so if you can do anything, come to Barnes as soon as you can before Saturday and volunteer your services. The greatest demand is for clerical work, housework, (particularly cleaning), ironing, caring for children and sewing. Won't you try to give at least an hour to help? Remember that you are really helping all around - yourself, your employer and the soldiers, through the Red Cross.

A meeting of the Extension Committee is called for tonight at 7:45 in Barnes Hall.

PAGEANT.

The Frosh seem to be forgetting that they should retain their former zeal and earnestness in selling Pageant postal cards and stickers. There are still a great many to be disposed of. Sell all you can and turn your money in regularly to the girl from whom you received your supply of cards and stickers. Thursday's rehearsals.

4:00 children Risley Recreation Room
