PREAMBLE

In order to effectuate the provisions of the Public Employees Fair Employment Act of the State of New York [Civil Service Law, Article XIV] to encourage and increase effective and harmonious working relationships between the Board of Education of the Rush–Henrietta Central School District [hereinafter sometimes referred to as the Board], and its supervisory and administrative employees. THIS AGREEMENT is made and entered into as of the 1st day of January 2004, and by and between the Superintendent of Schools of the Rush–Henrietta Central School District and the Administrators' Association of Rush–Henrietta [hereinafter sometimes referred to as Association].

ARTICLE 1 **RECOGNITION AND NO STRIKE**

Section 1.

Pursuant to the New York Public Employees Fair Employment Act, as amended, the Board has granted recognition to the Association as the exclusive negotiating representative for the following negotiating unit described below:

- a. Administrators' Chapter, consisting of all employees of the District within the following job titles: Building Principal, Assistant Building Principal, Senior Director, Director, Assistant Director, and Coordinator, with the exception of the Assistant Director of Human Resources, and excluding all other employees of the District.
- b. Technical/Managerial Chapter, consisting of all employees of the District within the following job titles: Purchasing Agent, Network Administrator, Architect and Senior Applications Specialist, and excluding all other employees of the District.

In granting such recognition, the Board has specifically reserved its right to make application to the Public Employment Relations Board to have any or all of the employees and positions included within this negotiating unit declared to be "managerial" and/or "confidential" within the meaning of the New York State Public Employees Fair Employment Act, as amended. Recognition of this unit shall continue in effect through the duration of the agreement.

Section 2.

The Association agrees that it will not cause, condone, sanction or take part in any strike, walkout, slowdown or work stoppage within the Rush–Henrietta Central School District.

Section 3.

The Board agrees to continue to honor individual employment contracts currently in effect, and those which may be negotiated in the future, between the District and an individual covered by this Agreement.

ARTICLE 2
NEGOTIATING PROCEDURES

Section 1.

As provided for in Article 32 of this Agreement, either party may request the commencement of negotiations for a successor agreement.

Section 2.

If such renegotiation has been requested and if there be any unresolved issue[s] by one hundred and twenty [120] days prior to the expiration date of this Agreement, then either party may declare the existence of an impasse and thereby invoke the impasse procedures of the New York State Public Employment Relations Board.

Section 3.

It is agreed by and between the parties that any provision of this Agreement requiring legislative action to permit its implementation by amendment of law or by providing the additional funds therefore, shall not become effective until the appropriate legislative body has given approval.

Section 4.

It is understood and agreed that this Agreement may be modified or amended during its term only through mutual agreement in a written and signed amendment to this Agreement.

Section 5.

Neither the Board nor the Association in any negotiations shall have individual control over the selection of the negotiating process or the negotiating representatives selected by the other. Both the Superintendent of Schools and the Association may select its negotiating representatives from within or outside the School District. While no final agreement shall be executed without ratification by the Association and the Superintendent of Schools, the parties mutually pledge that their representatives will be clothed with all necessary power and authority to make proposals, consider proposals and reach compromises in the course of negotiation.

ARTICLE 3
MANAGEMENT PREROGATIVES

Section 1.

The Board and Superintendent retain all rights, powers and authority they had prior to entering this Agreement except as expressly abridged or modified by this Agreement.

Section 2.

The Association further recognizes and agrees that the exercise and effective implementation of said rights and prerogatives requires the cooperation of the employees within the negotiating unit covered by this agreement.

Section 3.

Accordingly, and on behalf of itself and the employees within the negotiating unit covered by this agreement, the Association pledges its support of all such policies and procedures as adopted from time to time by the Superintendent and/or the Board.

Section 4.

The Association recognizes and concurs in the need to administer the several collectively negotiated agreements covering other employees of the District and accordingly, on behalf of the Members of the negotiating unit covered by this Agreement, agrees that those Members will administer such other contracts as fall within their respective ambits of responsibility, consistent with guidelines, directives, rules and regulations, etc. issued from time to time by the Board of Education and/or Superintendent.

ARTICLE 4
DUES DEDUCTION

Section 1.

The Board agrees to deduct from the salary of Administrators who are members of the Administrators' Association of Rush–Henrietta, School Administrators' Association of New York State, National Association of Elementary School Principals, National Association of Secondary School Principals, and any professional organization which directly relates to the individual's professional functions within the District, the dues of any one or more of such Associations as the individual Administrator individually and voluntarily shall authorize the Board to deduct, and to transmit the monies thus deducted promptly to the treasurer of the Administrators' Association of Rush–Henrietta.

Section 2.

Authorizations for dues deductions for the Administrators' Association of Rush–Henrietta shall be in writing on a form provided by the Administrators' Association of Rush–Henrietta, signed by the individual, and placed on file in the Rush–Henrietta District Business Office.

Section 3.

Authorized dues deductions for the Administrators' Association of Rush–Henrietta shall be made in ten [10] equal amounts commencing on a date agreed upon by the Association and the Superintendent.

Section 4.

The agency fee as provided for in the Taylor Law shall be deducted from the salary of Administrators not authorizing the deduction of dues, unless the Administrator is exempted from the agency fee as provided herein.

Section 5.

An Administrator employed after September 1, 1989 may request to be exempt from the Agency Fee provision. Such request shall be in writing and must be submitted to the Superintendent within four [4] months of the date of employment. Upon receipt of the request the Superintendent and Association President will meet with the Administrator and will decide, within one [1] month of receipt of the request, whether the individual is to be exempted from the Agency Fee provision. An Administrator so exempted will remain exempt during that Administrator's employment by the District. It is understood and agreed that there cannot be a grievance filed by any individual or the Association based upon actions taken under this Section. Current unit members may apply for an exemption within four [4] months of the signing of this Agreement.

ARTICLE 5 CONSULTATION

It is mutually agreed between the parties that the goal of the District is to provide the best possible education to the students of the District.

Toward that end, regularly-scheduled meetings shall occur between the Superintendent and the Association no less than two times per year and more frequently at the request of either party. The purpose of these meetings is to provide informal exchange of ideas, offer feedback to the Superintendent and avoid grievance.

The Association acknowledges that with respect to policy matters the Board and the Superintendent cannot delegate their decision-making responsibility. The District agrees to provide advance notice to the Association when consolidation of administrator jobs is planned. Such notice shall be provided with time allowed for the Association to provide advice to the decision makers. The Association recognizes that the District has final authority to consolidate jobs.

The Superintendent acknowledges that the administrative staff should be encouraged to assist the Board and the Superintendent in a consultative capacity and that sound administration constantly seeks recommendations and information.

It is therefore mutually agreed between the parties that the Superintendent shall, in the formulation of those policies in which the administration expresses particular interest, seek to encourage suggestions and recommendations to be made by the administration through proper channels.

Administrative channels are mutually recognized as the appropriate vehicle for the submission, refinement and continued study of information and recommendations made by the administration. If the President of the Association finds that the above channels are not functioning, he/she may approach the Superintendent directly and transmit to him/her the recommendations and information. After transmittal to the Superintendent, the President of the Association may submit to the President of the Board a written request for allotment of time on the Board's agenda to discuss the matters specified in the request. A copy of the request shall be sent to the Superintendent.

ARTICLE 6 JURY DUTY

- a. The individual must request prior approval of the course[s] or program[s] from the Superintendent, or his/her designee. Such request shall be in writing and shall set forth the basis on which the individual believes that the course[s] or program[s] will better enable that individual to discharge the responsibilities of his or her position.
- b. If the Superintendent, or designee, approves the course[s] or program[s], the individual must successfully complete the course[s] or program[s] thus approved.
- c. Upon successful completion of the course[s] or program[s], the individual shall submit evidence of such successful completion to the Superintendent, or his/her designee, along with an itemization of the tuition charges or registration fee[s] for such course[s] or program[s].

Section 5.

If an employee has exhausted his or her accumulated sick leave, he or she may request the Board to advance additional leave and, upon the recommendation of the Superintendent, the Board shall review such request. Final approval or disapproval of such request is at the sole discretion of the Board, not subject to the grievance procedure.

This benefit may be used by any unit member one time only.

Section 8. - Group Long-Term Disability Program

- a. While receiving disability insurance income, an employee shall be classified as on "in-service medical leave" as determined by the District.

Employees whose employment rights cease hereunder will be considered for future vacancies in comparable positions if no longer disabled.

- d. The District will pay employees hired prior to December 31, 1987 the difference between the employee's annual salary and total disability benefits, on a daily basis, for ninety [90] work days or through expiration of accumulated sick leave, whichever is greater. If an employee wishes to adopt a child, such employee may request a child-rearing leave for a period not to exceed two [2] years provided the adoptive child is not of school age.
- f. An employee on a child-rearing leave must notify the Director of Human Resources, in writing, by April 1 of the date on which he/she wishes to resume his/her duties. To the extent possible, reinstatement shall be to the position the employee left. ARTICLE 15 **HEALTH INSURANCE**

Section 1.

The District will participate in the Rochester Area Schools Health Plan II (RASHP II) beginning April 1, 2004. The District will provide the BC/BS Blue Million Plan through RASHP I. The District will contribute an amount equal to 100/95% of the single/family rates for the established base plan. Eligible employees are entitled to coverage under only one health insurance plan contributed to by the District.

Administrators who are covered by District health insurance are eligible to receive payment as follows for cancelling the contract: \$2,200 for a family contract, \$1,500 for a two-person contract or \$1,000 for a single contract.

The member will return a prorated share of the opt-out payment to the District and unit members' contributions will be adjusted accordingly.

Section 2.

Administrators who retire from the Rush-Henrietta School District who, at the time of the effective date of their retirement are at least 55 years of age, have been employed under the New York State Teachers' and Employees' Retirement Systems for at least ten [10] years and have at least ten [10] years of consecutive full-time service with Rush-Henrietta immediately before the effective date of their retirement, may carry into retirement District health insurance coverage. The District's contribution for such coverage shall not exceed \$3,000 per year for single coverage and \$5,000 for family coverage. The retiree will pay the difference between the total cost and the District's contribution. The annual District contribution for individual unit members not expended shall be held in reserve and applied to future health insurance costs for the individual retiree. Effective June 30, 2004 through December 31, 2009, administrators who retire meeting the requirements for retirement in this section may elect to receive a lump sum payment of \$40,000 in lieu of health insurance coverage. Subject to applicable laws, retiring administrators receiving the lump sum payment, payment for unused vacation time, and/or payments in lieu of health insurance participation, will have those funds deposited in a 401a and/or 403b employee contribution vehicle.

Effective January 1, 2006, Administrators with less than ten (10) years of consecutive full-time service with Rush-Henrietta immediately before the effective date of their retirement will have this retirement benefit pro-rated as follows:

- Five (5) consecutive years 50% benefit
- Six (6) consecutive years 60% benefit
- Seven (7) consecutive years 70% benefit
- Eight (8) consecutive years 80% benefit
- Nine (9) consecutive years 90% benefit
- Ten (10) consecutive years 100% benefit

Section 3.

Under Section 2. above, the District's obligations shall automatically cease ten years after the date of retirement. If the retiree dies before reaching the tenth anniversary of retirement, the District shall pay on behalf of the surviving spouse, if any, the annual premium for the single plan capped at the District's contribution rate. Such contribution shall cease upon the earlier of the death of the surviving spouse or the date on which the retiree would have reached the tenth anniversary of retirement.

In electing this provision, the employee agrees to remit to the District, by the twentieth day of the month, the employee's share of the premium for the succeeding two (2) months. Failure to make said advance payment shall entitle the District to cancel the retiree's (and/or spouse's) coverage.

Following such cancellation, the District shall be completely relieved from any further payments on behalf of that retiree (and/or spouse).

Section 4.

Nothing contained in this Article shall prevent the District and the Association from negotiating a modification, abolition or replacement of the existing insurance coverage. Such negotiations shall be binding upon the retirees and spouses.

ARTICLE 16
GROUP LIFE INSURANCE

Section 1.

Upon submission of a written application for coverage under the Group Life Insurance Policy, the premium costs for the Policy are to be paid in full by the Board. During the first three [3] years of coverage, the amount will be the employee's salary to the next \$1,000. After completion of three [3] years of continuous coverage under the policy, the amount will be twice the employee's annual salary to the next \$1,000.

Section 2.

- a. Administrators who retire from the Rush–Henrietta School District and who have completed a minimum of ten [10] years of employment immediately before the effective date of the administrator's retirement, and who have been in the District's group term life insurance program for at least the last five [5] consecutive years of employment immediately preceding retirement, may carry the group term life insurance into retirement. The face value of the retiree's policy shall be equal to twice the final year's salary, to the nearest \$500 [double coverage].
- b. The premium for this policy shall be borne by the District.
- c. At age 65, the face value of the retiree's policy shall be reduced to \$5,000 and at age 70 coverage shall cease.
- d. If the administrator elects to convert the term coverage to individual whole life, the District's obligation to pay premiums for that individual ceases.

If the matter is to be resolved informally and if the immediate supervisor is another employee within the same negotiating unit, then that supervisor shall review the grievance and his or her proposed informal resolution with the Superintendent, or designee. The Superintendent, or designee, retains the right, at his/her sole discretion, to determine whether the grievance should be resolved informally and if so the nature and form of the resolution.
- b. If the grievance is not resolved informally, and if the allegedly aggrieved employee wishes to pursue the grievance, it shall be reduced to writing on the approved form and presented to the aggrieved party's immediate supervisor within two [2] school days after the date of the discussion at 5.1[a] above. Within two [2] days after the written grievance is presented, the immediate supervisor shall render a decision in writing and present that decision to the aggrieved party. If the immediate supervisor is another employee within this same negotiating unit, then that supervisor shall review his or her written disposition of the grievance with the Superintendent, or designee, prior to submitting the answer to the aggrieved party. The Superintendent, or designee, retains the right in his/her sole discretion,

to direct such immediate supervisor to deny the grievance or, if the Superintendent believes the grievance has merit, to determine the nature of the remedy, if any, to be accorded.

If the Association's Grievance Committee determines that the alleged grievance is meritorious and that appealing the grievance is in the best interest of the school system, it may submit the grievance to arbitration by written notice to the Superintendent within ten [10] school days after presentation of the grievance to the grievance committee.
- b. Within five [5] school days after such written notice of submission to arbitration the Association shall request from the American Arbitration Association a list of seven [7] arbitrators from which list the Superintendent, or designee, and the Association shall select an arbitrator for the grievance in question.
- c. The arbitrator shall have no power to add to, subtract from or modify any of the provisions of this Agreement and shall have only the power to interpret what the parties to the Agreement intended by the specific clause of the Agreement which is in issue.

- e. No arbitrator shall decide more than one grievance on the same hearing except by mutual agreement between the Association and the Superintendent.

ARTICLE 28
PERFORMANCE APPRAISAL

Section 1.

The Administrators' Association of Rush-Henrietta recognizes the right of the Chief School Officer to appraise the performance of its members. The parties agree that a formal evaluation process will be used for administrators, beginning with a mutual goal-setting process. Each supervisor will schedule one or more meetings with each administrator under his/her supervision for the purpose of mutually establishing routine responsibilities, goals and priorities to be undertaken. It is understood that these routine responsibilities, goals, and priorities will be set forth in writing by the supervisor, and will form the basis for the administrator's year-end evaluation. During these planning meetings, supervisors will also raise issues of concern, which the administrator needs to address, if there are any. It is understood that the supervisor has a responsibility to provide assistance to the administrator in addressing these concerns.

The year-end evaluation will be completed by August 1, although it is understood that periodic meetings to discuss work and work performance will take place during the year at the initiation of either party. It is understood that routine responsibilities, goals and priorities established at the beginning of the year may be modified in writing by mutual agreement of the parties during the year. The year-end evaluation will include a written overall assessment of the administrator's progress in meeting the agreed-upon routine responsibilities, goals and priorities.

The year-end evaluation meeting will also include time for the administrator and supervisor to begin developing routine responsibilities, goals and priorities for the next school year. Every effort will be made to complete the mutual goal-setting process before the new school year begins. We recognize that there may be times when the administrator and supervisor are unable to reach agreement on routine responsibilities, tasks and priorities. When this occurs, the administrator and supervisor will call on the AARH President and Director of Human Resources to jointly provide assistance in resolving the differences. It is understood that the year-end written evaluation is the responsibility of the supervisor, after following this process. The administrator may file a written response to the evaluation. Such response shall be attached to the evaluation and stored in the administrator's personnel file.

Section 2.

The parties recognize that there may be times when performance concerns emerge about an individual administrator. When this occurs, the supervisor is responsible for notifying the administrator of the specific nature of such concerns. As soon as possible thereafter, but no later than one [1] month after notification, the administrator and the supervisor will jointly develop a written improvement plan which is designed to address the concerns and to elicit improved performance from the administrator. This plan may also include a listing of resources and opportunities which the district will make available to the administrator [e.g., conferences, visitation, mentoring] as strategies for improvement.

Regular meetings which are mutually agreed upon by both parties at the onset of the process will be scheduled between the administrator and supervisor to monitor progress toward improvement. The supervisor will provide the administrator with a timely written summary of each meeting. Ideally, the improvement plan will end when the performance concern has been resolved. If the performance improvement plan does not achieve desired results, it can be extended by mutual agreement or the supervisor may recommend to the Superintendent withholding part or all of the annual salary increase, as long as the administrator has been on an improvement plan for a minimum of six months [or 120 days on the instructional calendar for principals, assistant principals and ten month instructional directors]. The administrator shall receive written notification no later than December 15 of a decision from the Superintendent to withhold a salary increase.

If the administrator disagrees with the recommendation, he/she may appeal to a joint committee consisting of an equal number of at least two Association and District representatives. The joint committee shall take into account the clarity and reasonableness of expectations placed on the administrator and the extent of assistance provided to the administrator by his/her supervisor. The joint committee shall also recognize the level of initiative and responsibility which the District has a right to expect from administrators in the performance of their duties. A majority vote of

the committee is required in order to reverse a decision to withhold a salary increase. Decisions of the joint committee shall be final and shall protect the privacy of all parties involved.

ARTICLE 29
EMPLOYEE ASSISTANCE PROGRAM

The District will provide an Employee Assistance Program [EAP] for unit members. The EAP should be available for difficulties including, but not limited to, emotional or mental stress, chemical dependency, family and marital issues and financial problems. Employees and their dependents should be encouraged to seek help voluntarily through the EAP. The Superintendent or his designee may refer the employee to the EAP as part of a job performance remediation effort. Employees are assured that involvement with EAP will be strictly confidential and no record of the involvement may become part of the employee's personnel record.

ARTICLE 30
COMPLETE AGREEMENT CLAUSE

Section 1.

The Superintendent and the Association acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make proposals with respect to any subject or matter not removed by law from the area of collective negotiations.

Section 2.

The understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement.

Similarly, if the District adopts and implements a new insurance program on a District-wide basis during the term of this Agreement, such new program shall be made applicable to the individuals covered by this Agreement.

The foregoing shall be subject to the specific terms of the changed or new programs.

ARTICLE 31
SAVINGS CLAUSE

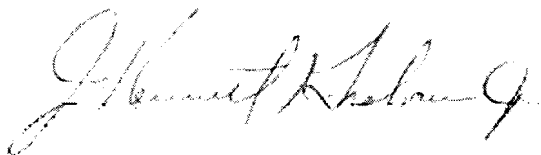

This Agreement and all provisions contained herein are subject to all applicable laws. In the event that any Article, or any Section of any Article, of this Agreement is held by a court of competent jurisdiction to violate any such applicable law, said Article, paragraph or Section shall

be rendered null and void but the remainder of this Agreement shall remain in full force and effect as if the violative portion had not been part of this Agreement.

ARTICLE 32
DURATION

The provisions of this Agreement, except as otherwise specifically provided, shall become effective as of January 1, 2004 and shall continue in full force and effect through and including December 31, 2009 and, unless either party gives written notice to the other at least 130 days but not more than 150 days prior to December 31, 2009 requesting to modify, amend or renegotiate this Agreement, then, in that event, said Agreement shall continue in full force and effect from year to year thereafter unless such notice is given not less than 130 days but not more than 150 days prior to the end of such subsequent calendar year.
