4.4.2 Notice of Recall to Same Job Title: The Employer shall notify the laid-off employee of the vacancy in 4.4.1 by means of certified mail sent to the employee's last known address. In the event the laid-off employee does not respond within fourteen calendar days, either in person or in writing, or the employee rejects the offer, the employee shall forfeit all recall rights.

4.4.3 Recall to Different Job Title: Except as otherwise set forth in the rules and regulations of the Ulster County Civil Service, in the event there is a vacancy following a layoff in a new or existing job title within the bargaining unit, the Employer shall post the position in accordance with 8.1.1, below, and the laid-off employee shall be eligible to bid on the position in accordance with 8.1.2, below.

(A part-time employee who was enrolled in the medical insurance plan prior to April 1, 1998, will continue to be eligible). Coverage will begin on the first of the month following one month of continuous employment, provided the employee meets all eligibility requirements of the insurance plan and has completed the insurance application. In no event shall the Employer be required or obligated to pay or reimburse an employee or the employee's spouse or other dependent for any portion of any doctor's bill, hospital bill, prescription bill, x-ray bill, laboratory bill, procedure bill, or any other medical bill or expense which is not covered or reimbursed by the medical insurance plan.

12.5.3 Premium Payment: The Employer will pay the full premium for short-term disability insurance for each eligible employee.

12.5.4 Reporting of Injury: The employee should submit a written report of the illness or injury, on the proper form, to the Town Supervisor within twenty-four hours of the occurrence.

12.5.5 Use of Leave Credits: An employee may draw from the employee's accumulated sick leave, vacation leave, and personal leave credits in conjunction with short-term disability payments to equal, but not exceed, the employee's regular daily rate of pay. When the insurance company makes payment, the Employer shall be reimbursed for that portion of leave credits covered by insurance and the employee will be re-credited with the proportional amount of sick leave, vacation leave, and/or personal leave. Management may ask for a doctor's note for documentation if they have reason to believe this option is being abused.

12.5.6 Continuation of Medical Insurance: The Town will continue medical insurance coverage for the employee in accordance with the provisions of the Town's Family and Medical Leave Policy. Thereafter, an employee who is receiving short term disability payments under this plan **and** is drawing full pay by using accrued leave credits will continue to receive medical insurance benefits and the Town will continue to make its contributions for up to a maximum of one year provided the employee makes the required employee contribution. If the employee has exhausted all leave credits, the employee may continue to be eligible for medical insurance coverage in accordance with COBRA.

12.6 Medical Insurance for Retired Employees

12.6.1 Coverage: The Town offers medical insurance and prescription drug coverage to eligible full-time employees after they retire from Town employment and are receiving retirement benefits under the New York State Retirement System. Coverage is also available for the retiree's eligible spouse if the spouse was covered under the Town's medical insurance plan on the retiree's last date of employment with the Town. In the event the retiree predeceases the retiree's eligible spouse, the spouse may continue medical insurance and prescription drug coverage provided the spouse pays the full cost of the premiums. In the event of legal separation or divorce, the retiree's spouse shall not be eligible for coverage except as provided under COBRA.

12.6.2 Eligibility: To be eligible for coverage, the retiree must meet each of these requirements: 1) (a) be at least fifty-five years of age and have at least twenty years of continuous benefit eligible service with the Town as a full-time employee; or, (b) if the retiree was hired before July 1, 1996, and was or is a member of the bargaining unit prior to September 1, 2005, the retiree will be eligible after completing at least ten years of continuous benefit eligible service with the town as a full-time employee provided the retiree is at least sixty-two years of age; and, 2) have applied for and been granted a retirement benefit from the New York State Employees' Retirement System. Notwithstanding the above, an employee who leaves employment due to disciplinary action is not eligible for medical insurance or prescription drug coverage for retirees.

12.6.3 Bridge Provision: An employee with at least twenty years of continuous service with the Town who separates from employment with the Town prior to being granted a retirement benefit from the New York State Employees' Retirement System may continue to participate in the Town's medical insurance and prescription drug plans but the former employee must pay the full premiums until the former employee has applied for and been granted a bona-fide retirement benefit from the New York State Employees' Retirement System. Upon being granted a bona-fide retirement benefit from the New York State Employees' Retirement System, the Town will pay the premium for individual or family medical insurance coverage, as the case may be, as described below. To be eligible for this "bridge provision", the employee must have been enrolled in the Town's medical insurance plan and made premium payments without interruption from the date of retirement until the date of receiving benefits from the retirement system.

12.6.4 Plan and Premium Payment: An employee who retires will continue to be eligible for the same medical insurance and prescription drug coverage as is provided to the then current employees, as if the retiree were still actively employed by the Town. The Employer will pay the same amount towards the cost of the monthly premium for individual or family coverage, as the case may be, as is being paid for then current employees, as if the retiree were still actively employed by the Town.

If a retiree moves to an area not serviced by the Town's medical insurance provider, the Town of Woodstock will make an equivalent monetary payment towards the cost of the outside provider.

12.6.5 Medicare: Coverage under a medical insurance plan made available through the Town of Woodstock will continue until the retiree or eligible spouse, as the case may be, meets the eligibility criteria for Medicare coverage, at which time primary coverage will be provided by Medicare. At that time, the retiree and eligible spouse may be required to change the medical insurance and prescription drug plans in order to enroll in a Medicare supplemental policy.

The Town will reimburse a retiree and/or the retiree's eligible spouse for the cost of the Medicare Part B premium. Such reimbursement will cease for the retiree's eligible spouse upon the death of the retiree. Reimbursement will also cease for a spouse upon legal separation or divorce. During the term of this contract the Town will pay up to \$100.00 per month per retiree toward the cost of the Medicare Part B premium.

12.6.6 Use of Sick Leave Accruals: At the time of retirement, an employee may elect apply accumulated sick leave credits toward monthly premium payments for retiree medical insurance. The value of the sick leave credits will be set at fifty percent of the employee's rate of pay at the time of retirement.

If the employee is paid for a portion of the total accumulated sick leave credits or if the credits have been used to increase the employee's service credit under 41-j, only the remaining portion will be used for the payment of retiree medical insurance premiums. For example: an employee who has accumulated the equivalent of 240 days of sick leave may elect to receive cash payment for 24 days, apply 165 days to increase service credit at retirement, and then apply the remaining 51 days toward monthly premium payments.
