This recognition shall continue until the expiration of this contract.

ARTICLE II – NEGOTIATIONS PROCEDURES

It is agreed by all experienced negotiators in both private and public fields that negotiations proceed most smoothly when there is an understanding at the beginning on the

ground rules of procedures to be followed. Initially, these ground rules should be agreed upon before negotiations proceed.

1. Any negotiations in subsequent years shall be initiated by the parties submitting their proposals to each other on mutually agreeable dates no later than January 30 of the applicable year. Either party may request, in writing, an extension of time to a date which must be mutually agreeable to both parties. All issues proposed for discussion shall be submitted in writing by CSEA to the Board or its delegated representative at or before the first meeting. The Board or its delegated representatives shall submit in writing all additional issues upon which it wishes to negotiate no later than the second meeting.

2. In any session negotiation committees shall consist of not more than seven (7) members, except that any Association committee representing a bargaining unit of less than thirty (30) employees shall be limited to three (3) members. 4. All negotiation sessions will be executive sessions. During the period of negotiations and prior to reaching an agreement to be submitted to the Board and the Association unit, the proceedings of the negotiations shall not be made public unless both parties consent. No electronic recording devices of any type shall be used to record the deliberations of the negotiations.

5. Each team shall have the right of caucus at any time during a negotiation session. However, caucus time will be counted as part of the total length of each negotiation session. When temporary impasse is reached on individual items, the parties agree that it shall be

appropriate to move the calendar to other items on which negotiations may be possible. Any item on the calendar may be tabled at any time by joint agreement between the two parties.

6. Each team's professional negotiator shall preside throughout deliberations. Any and all questions, and business pertaining to negotiations throughout each session, shall be directed to and through each team's professional negotiator.

7. When an item has been discussed and agreed to by both parties, it shall be initialed by both negotiators and set aside. No item shall be agreed to as finalized unless all items are agreeable to both parties. Revisions may be made on items already initialed.

8. An impasse may be deemed to exist if agreement is not reached one hundred twenty (120) days prior to the end of the fiscal year. In the event of an impasse, the procedures of the PEFEA (Taylor Law) shall be followed.
