ARTICLE I
RECOGNITION OF THE BARGAINING UNIT

The Otselic Valley Board of Education, having determined that the Otselic Valley Teachers' Association is supported by a majority of employees in a unit composed of all professionally certified personnel, school nurses (RN's) and interpreters, except the Superintendent and Building Administrators, hereby recognizes the Otselic Valley Teachers' Association as the exclusive representative for the teachers, licensed teaching assistants, school nurses, school counselors, and interpreters, ("Employee") in such unit. Such recognition shall be for the duration of this agreement and/or subsequent agreements or extensions thereto, unless challenged in accordance with law. The Board agrees not to negotiate with any individual teacher, licensed teaching assistant, school nurse, interpreter, school counselor, or teacher organization other than the Otselic Valley Teachers' Association for the duration of this recognition.

ARTICLE 2
DEFINITIONS

For purposes of this Agreement, the following definitions will apply.

1. The term "Association" means the Otselic Valley Teachers' Association.
2. The term "Board" means the Board of Education of the Otselic Valley Central School District.
3. The term "Superintendent" means the Superintendent of Schools of the Otselic Valley Central School District.
4. The term "Employee" means any person included in the bargaining unit in accordance with Article 1 of this Agreement.
5. The term "District" means the Otselic Valley Central School District.

ARTICLE 3
DUES DEDUCTION

- A. No later than October 15 of each school year, the Association shall submit to the Superintendent a list of members of the Otselic Valley Teachers' Association and original signed dues deduction cards. The above date will in no way limit further Association membership, and an updated list of new additional members shall be submitted by January 15, if necessary, to the Superintendent.
- B. The total amount of dues deductions for the Otselic Valley Teachers' Association and its affiliates shall be given to the Superintendent prior to October 1 of each school year. The District shall begin dues deductions with the second pay period in October, and they shall be completed after ten (10) successive pay period deductions. In the event that an Employee joins the Association and wishes dues deductions and there are less than ten (10) pay periods left in the year, the District shall deduct the total dues in equal installments for the remaining pay periods, with the OVTA Treasurer notifying the District as to the amount to be deducted.

- C. Should the employment of an Employee terminate after more than ninety (90) school days for any reason, the unpaid balance of such membership will be deducted from the Employee's last paycheck.
- D. The District shall, following each pay period from which a dues deduction was made, transmit the amount so deducted to the Treasurer of the OVTA. The final transmittal shall be accompanied by a listing of the members for whom deductions have been made and the amount deducted for each. If deductions are made for only a portion of the deduction period, the listing should show the date of commencement of such deductions.
- E.
 - 1. The District shall deduct an Agency Fee from the paycheck of each bargaining unit member who is not a member of the Association. This deduction shall commence with the second pay period in October and shall be completed after ten (10) successive pay period deductions. Should an employee commence service to the District after the start of the Agency Fee deduction, the Agency Fee will be pro-rated and divided equally among the remaining paychecks in the school year.
 - 2. The District will remit the amount of such Agency Fee deductions made to the designated Association Treasurer within the same time period as regular dues deductions are transmitted. The final transmittal shall be accompanied by a listing of the personnel for whom deductions have been made.
 - 3. The Association will initially notify the District as to the total amount of the Agency Fee to be deducted. Such notification will be certified to the District in writing over the authorized signature of the Association President on or before October 10 of each year.

ARTICLE 4
NEGOTIATIONS PROCEDURES

- A. Not later than February 15 of the year in which this Agreement terminates, the parties agree to enter into collective negotiations in accordance with the procedures set forth herein in a good faith effort to reach an agreement on matters raised by either party concerning the terms and conditions of employment.
- B. At the initial bargaining session, ground rules for negotiations will be established and both sides will mutually exchange proposals to be considered during negotiations.
- C. During negotiations, the District and the Association will present relevant data, exchange points of view, and make proposals and counterproposals. The District will make available to the Association for inspection, all pertinent records, data, and information of the school system. Either party may, if it so desires, utilize the services of outside consultants and may call upon professional and lay representatives to assist in the negotiations.

ARTICLE 5
MATTERS NOT COVERED

With respect to matters not covered by this Agreement, the Board agrees that it will consult and/or negotiate with the Association prior to making any changes which might normally be classified as being relative to terms and conditions of employment.

ARTICLE 6
GRIEVANCE PROCEDURE

Part I - Definitions

- A. **Grievance** shall mean any claimed violation, misinterpretation, or inequitable application of laws, rules or regulations relating to terms and conditions of this contract.
- B. The term **Supervisor** shall mean any principal, designated immediate superior or other administrative or supervisory officer responsible for the area in which the alleged grievance arises, except for the Chief School Officer.
- C. The **Chief School Officer** is the Superintendent of Schools.
- D. **Association** shall mean the Otselic Valley Teachers' Association.
- E. **Aggrieved Party** shall mean the Association and/or any person or group of persons in the negotiating unit filing a grievance.
- F. **Hearing Officer** shall mean any individual or board charged with the duty of rendering a decision at any stage on grievances hereunder.
- G. **Days** shall mean school days.

Part II

- A. Except at the informal stage, all grievances shall include the name and position of the aggrieved party, the time when and the place where the alleged events or conditions constituting the grievance existed, the identity of the party responsible for causing the said events or conditions if known to the aggrieved party, and a general statement of the nature of the grievance and the redress sought by the aggrieved party.
- B. Except for the informal decisions at Stage 1, all decisions shall be rendered in writing at each step of the grievance procedure, setting forth findings of fact, conclusions, and supporting reasons therefore. Each decision shall be promptly transmitted to the aggrieved party.
- C. The aggrieved party shall have the right to have representation at all stages in the grievance procedure. The aggrieved party shall also have the right to have his/her representative act in his/her behalf, if he/she so desires, at all stages of the procedure. However, the aggrieved party should be in attendance at meetings held at each stage. The preparation and processing of grievances insofar as practical shall be conducted during the hours of employment.
- D. The Board of Education and the aggrieved party agree to facilitate any investigation which may be required and to make available any and all material and relevant documents, communications and records concerning the alleged grievance.
- E. Forms for filing grievances, serving notices, taking appeals, making reports, and recommendations, and other necessary documents will be developed by the Association with Board approval. The Superintendent shall then have them printed and distributed so as to facilitate operation of the grievance procedure. The District and the OVTA shall share the costs involved.

- F. Nothing contained herein will be construed as limiting the right of any Employee having a grievance to discuss the matter informally with any appropriate member of the administration and having said matter adjusted, without intervention of the Association provided the adjustment is not inconsistent with the terms of this Agreement and the Association has been given the opportunity to be present at such adjustment and to state its views. In the event that any grievance is adjusted without formal determination, pursuant to this procedure, while such adjustment shall be binding upon the aggrieved party and shall, in all respects, be final, said adjustment shall not create a precedent or ruling binding upon either of the parties to this Agreement in future proceedings.

Part III

If any provisions of this grievance procedure or any application thereof to any Employee or group of Employees in the negotiating unit shall be finally determined by any court to be contrary to law, then such provision or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications will continue in full force and effect.

Part IV

The Clerk of the Board shall be responsible for accumulating and maintaining an Official Grievance Record which shall consist of the written grievance, all exhibits, transcripts, communications, minutes, and/or notes of the testimony as the case may be, and/or written arguments and briefs considered at Stages 2, 3, and 4. A copy of such minutes will be made available to the aggrieved party and the Association three (3) school days after the conclusion of hearing at Stages 2, 3, and 4. Either party will advise the appropriate hearing officer of any errors or omission in said minutes. Any such claim of error or omission in the minutes shall become a part of the Official Grievance Record and the hearing officer shall indicate determination made respecting such claimed error or omission. The Official Grievance Record shall be available for inspection and/or copying by the aggrieved party, the Association, and the Board, but shall not be deemed a public record.

Part V

Any Employee to whom Stage 1 does not apply shall have immediate recourse to Stage 2 of the grievance procedure. If a grievance affects a group of persons and/or appears to be associated with system-wide policies, it may be submitted by the Association directly to the Superintendent at Stage 2, described on the following pages.

Part VI

No written grievance will be entertained as described below, and such grievance will be deemed waived unless a written grievance is forwarded at the first available stage within twenty (20) school days after the aggrieved party knew or should have known of the act or conditions on which the grievance is based.

If a decision at one stage is not appealed to the next stage of the procedure within the time limit specified, the grievance will be deemed to be discontinued and further appeal under this Agreement shall be barred.

Part VII

Failure at any stage of the grievance procedure to communicate a decision to the aggrieved party within the specified time limit shall permit the lodging of an appeal at the next stage of the procedure within the time which would have been allotted had the decision been communicated by the final day.

Part VIII

No interference, coercion, restraint, discrimination, or reprisal of any kind at any time will be taken by the Board of Education or any member of the Administration against the aggrieved party, any representative, the Association, or any other participant therein as a result of any grievance processing.

Part IX - Stages of Grievance Procedure

Stage 1 The aggrieved party will first discuss an alleged grievance with his/her Building Principal and attempt to resolve the problem informally.

In the event that resolution is not attained informally, the aggrieved party within five (5) school days shall submit the alleged grievance in writing to his/her Building Principal.

Within five (5) school days, the Building Principal shall render a decision in writing to the aggrieved party.

Stage 2 In the event that the aggrieved party is not satisfied with the Stage 1 decision, he/she may, within five (5) school days after receipt of the decision, file an appeal with the Superintendent.

Within five (5) school days after receipt of this appeal, the Superintendent shall hold a hearing with the aggrieved party in regard to the alleged grievance.

Within five (5) school days after the conclusion of this hearing, the Superintendent shall render a decision in writing to the aggrieved party.

Stage 3 If the aggrieved party and/or the Association are not satisfied with the decision after Stage 2, an appeal may be filed in writing with the Board of Education within five (5) school days after receiving the decision at Stage 2.

Within ten (10) school days after receipt of an appeal, the Board of Education shall hold a hearing on the grievance. The hearing shall be conducted in executive session.

Within ten (10) school days after the conclusion of the hearing the Board of Education shall render a decision, in writing, on the grievance. Such decision shall be promptly transmitted to the grievant and the Association.

Stage 4 In the event the aggrieved party is not satisfied with the decision rendered at Stage 3, then within five (5) school days, a written request to the Association to seek advisory arbitration of the matter must be submitted. In the event the Association Grievance Committee decides further action is necessary, it will notify the American Arbitration Association of a demand for arbitration. A copy of the demand for arbitration will be served on the Clerk of the Board. The costs for the services of the arbitrator, including expenses, if any, will be borne equally by both parties.

The BOE and the Association shall give serious consideration to the Arbitrator's award and should either party reject the Arbitrator's decision, the reasons for rejection shall be in writing.

Part X - Binding Arbitration Clauses for Dismissal of Employees

1. Application

A full-time teacher who has served more than two (2) continuous years in the District may waive his or her rights under Section 3020-a of the Education Law, and opt for the following alternative procedure when subject to possible dismissal for disciplinary reasons.

2. Alternative 3020-a Procedure

- A. In the event a teacher is dismissed, (s)he will be furnished a detailed written statement of the charges which are the basis of the action to dismiss. Such statement will contain specific reasons for the dismissal. Such statement will be forwarded to the teacher and the Association President by certified mail within five (5) school days of Board action.
- B. If the teacher and/or the Association objects to the dismissal, within ten (10) school days after the receipt of the written statement, the Association will file written Demand for Arbitration with the American Arbitration Association, whose then current procedures will control. If the teacher does not wish to pursue the dismissal, the Association will be barred from taking any action under this Article.
- C. The Arbitrator will hear the matter promptly and will issue his/her decision not later than twenty (20) calendar days from the close of the hearing or, if oral hearings have been waived, then from the date the final statements and proofs are submitted to him/her. The Arbitrator's decision will be in writing and will set forth findings of fact, reasoning, and conclusions of the issues. The decision of the Arbitrator shall be final and binding upon all parties. The costs for the services of the Arbitrator, including expenses, if any, will be shared equally by the parties.
- D. Failure to file a written demand, as specified with B, above, within the time frame set forth within this provision will constitute a waiver of the teacher(s)/Association's right to proceed under this provision.
- E. If the teacher is suspended under this Article, pending an arbitration, such suspension will be with pay and benefits according to law.

ARTICLE 7 LEAVES

- A. Sick Leave - All Employees shall have sixteen (16) sick days per school year. Effective July 1, 2004, there will be no limit on the number of sick leave days an employee may accumulate. Employees will receive an accounting of all their available leave time with the first paycheck of each school year.

Each regular employee shall be allowed the use of up to eight days of his or her accumulated sick leave for family illness. Family, for purposes of this provision is defined as any relative up to first cousin of the employee or spouse and/or any person

living with the employee. Upon request up to eight additional sick days may be approved for family illness use at the discretion of the Superintendent.

Bereavement Leave - Each regular employee shall be allowed up to five (5) days bereavement leave per occurrence for the purpose of attending the funeral of a spouse, child, stepchild, parent, parent in-law, or significant other living in the employee's household. Each regular employee shall be allowed up to two (2) days bereavement leave per occurrence for the purpose of attending the funeral of a grandchild, grandparent, grandparent in-law, sibling, niece, nephew, aunt, or uncle. Up to two (2) additional days may be granted at the discretion of the Superintendent.
- C. Personal Days - Up to three (3) personal days per school year will be granted. No reason need be given for a personal day. Personal days may be taken in one-half day portions. At the conclusion of each school year unused personal days shall be added to each Employee's accumulated sick leave.

For unpaid leaves of five (5) days or less – The unit member should submit a written request to his or her Building Principal. It is understood that the final decision to approve or deny the request will be made by the Superintendent of Schools in consultation with the Building Principal. It is understood that in an emergency situation such request may be made at the time or following the day in question.

For unpaid leaves of more than five (5) days – The unit member should submit a written request to the Board of Education through the Clerk of the Board.

- E. Public Office Leave of Absence - The Board will grant a leave of absence without pay or increment to any Employee to campaign for or serve in a public office.

Parental leaves shall be available to adoptive parents.

All benefits to which an Employee was entitled at the time the leave of absence commenced, including unused accumulated sick leave, will be returned to the Employee upon return at the expiration of the leave. The Employee will be assigned to the same or similar position which was held at the time said leave commenced. An Employee who returns from such leave will be placed on the same level of the salary schedule the Employee was on when the leave commenced, except that a teacher having worked at least twenty (20) weeks in the school year in which the leave commenced shall be placed on the next higher level of the salary schedule.

- H. Military Leave - Section 242 of the Military Law, State of New York, shall govern all military leaves.

I. Union Business - Twenty-four (24) work hours per year may be used upon timely notification by the OVTA President/designee for attendance at PERB, Arbitration, Worker's Compensation, Mediation Board, or Labor Board hearings without loss of pay. 1. There shall be established a Sick Leave Committee each school year consisting of two (2) OVTA representatives and two (2) administration representatives. Said Sick Leave Committee shall review and pass upon applications for additional sick leave days submitted by bargaining unit members who choose to enroll in the bank.
2. Applications for additional sick leave days may be made to the Committee by any participating bargaining unit member who has suffered illness or injury (as hereinafter defined) whose accumulated sick leave has been exhausted, and who has no other source of disability coverage which provides benefits in excess of those provided by the sick leave bank. Income from said disability coverage added to District salary payment shall not exceed said bargaining unit member's daily rate of pay. Each sick leave bank day granted shall constitute a deduction of a full day and not a fractional equivalent. (Intent is not to have an Employee receive a combined payment of more than his/her daily rate of pay nor to have fractionalized sick leave days.)
3. For purposes of the Article, the term "serious illness or injury" shall be defined as one which is generally regarded as such by those in the medical profession. Maternity disability shall qualify for these benefits. Any dispute as to whether or not an illness or injury is "serious" as used herein shall be resolved by medical evidence. A physician selected and paid for by the District shall examine the applicant and submit a diagnosis to the Committee. The applicant shall have the right to review the diagnosis and submit other medical information or documentation at the applicant's expense. The bank is not intended to cover absences of a day, or several days, in excess of accumulated sick leave, or situations where there is no serious or prolonged illness or injury.
4. Prior to, or no later than concurrent with the submission of the application for additional sick leave days from the sick leave bank, the applicant shall provide the Committee with a medical report setting forth the nature of the illness/injury and the anticipated date of recovery and return to work. The Committee shall have the right to request additional medical information as well as the right to have the applicant examined by a physician selected and paid for by the District. The applicant shall have the right to review the medical reports and submit other medical information or documentation, at the applicant's expense.
5. If additional sick leave is granted by the Committee, said additional leave may be granted in blocks of up to fifteen (15) work days up to a maximum of sixty (60) work days per illness or injury, and shall be expended from the bank upon the basis of one (1) paid day for each paid work day which would have been received had there been no illness or injury.
6. To join the bank, a bargaining unit member must enroll between September 1 and September 15, or within two (2) weeks of the date of employment. Upon joining the sick bank unit members will be assessed two (2) sick days and will contribute one additional day each subsequent year until his or her account has been credited with

five (5) days. Each September 15 participants shall be assessed, at their discretion, one (1) or two (2) additional sick leave days from that year's leave. A member shall not be assessed after his/her account has five (5) days' credits. This assessment shall be made in whole days; therefore, the amount contributed for each participant will be zero (0), one (1) or two (2) days each year. Each September 15 the District shall invest ten (10) days. It is understood and agreed that the total available days is to be in no way construed as a guarantee or commitment by the District that such sick leave days must or will be expended in the designated time period. The total of said figures represents only the amount which is available in the event the Committee determines an application to be meritorious and within the purview of the Article. Computation of final assessments and appropriate deductions shall be as of June 30 of each year. In the event the bank reserves fall below seventy-five (75), participants may freely donate up to an additional two (2) accumulated sick leave days.

7. Majority decisions of the Committee shall be final, binding, and not subject to the Grievance and Arbitration Procedure set forth in this contract. If the Committee deadlocks, the dispute shall be immediately submitted to the American Arbitration Association for expedited adjudication. Costs for the services of the Arbitrator shall be equally shared by the District and the Association. The decision of the Arbitrator shall be final and binding.

ARTICLE 8 *EDUCATIONAL CONFERENCES*

Employees may submit requests for educational conference days to the Superintendent, stating the time, place and purpose of the conference. The Superintendent will then submit the request for the conference grant to the Board for approval or disapproval. A reason shall be given for disapproval of the request. Employees are to give an estimate of the expense when the request is submitted. The Board will notify the Employee in the amount of the reimbursement when the request is approved. The amount of reimbursement will be agreed upon in advance. The Board reserves the right to delegate to the Superintendent the responsibility for carrying out this Article.

ARTICLE 9 *VISITATION DAYS*

Employees may submit requests for visitation days to the Superintendent, stating the place, time, and purpose of the visit. The Superintendent will then submit the request for visitation to the Board for approval or disapproval. A reason shall be given for disapproval of a request.

ARTICLE 10 *JURY DUTY*

- F. Effective September 1, 2001, use of District phones by unit members for personal long distance or other toll calls will require the use by the unit member of his or her personal calling card. MEMORANDUM OF AGREEMENT

The Otselic Valley Central School District ("District") and the Otselic Valley Teachers' Association ("Association") hereby agree to the following:

1. Members of the bargaining unit whose effective date of retirement is between the period of July 1, 1990 and June 30, 1993, and who have twenty (20) years of service in the District, shall receive the total hospitalization, medical, and major medical insurance premium paid by the District on an individual or family contract for the health care plan then in effect, as prescribed by Article 25 of the collective bargaining agreement.
2. This memorandum of agreement and the terms covered herein shall not be considered as a part of the 1990-93 collective bargaining agreement and the parties enter into this memorandum of agreement waiving any and all such claim for inclusion into said collective bargaining agreement. As such, this memorandum and its contents shall not be subject to any and all rights accrued under the 1990-93 collective bargaining agreement including, but not limited to, Article 5, Grievance Procedure, and Article 25, Insurance. While this memorandum of agreement and the terms covered herein shall not be considered as a part of the 1990-93 collective bargaining agreement, the District understands its obligation to continue to make the total hospitalization, medical and major medical insurance premium payment for the health care plan then in effect on behalf of all eligible persons identified in number 1 above until their death. If the District defaults in its obligation enumerated in number 1 above, it shall be a proper subject of adjudication by a PERB appointed mediator/arbitrator initiated through a joint request by the District and the Association.
3. The terms delineated in number 1 above shall expire on June 30, 1993 and shall thus cease to exist beyond 6/30/93. These terms shall not be continued by application of the "Triborough Doctrine."
4. The Association agrees without reservation that it will not, until the commencement of bargaining discussions leading to the collective bargaining agreement effective July 1, 1999, propose on behalf of members of the bargaining unit any types of Family retirement coverage for the Health and Dental Plans. The Association waives its right to make such a proposal until the round of bargaining discussions, the results of which would secure a collective bargaining agreement effective July 1, 1999.
