RECEIVED

MAR 31 2008

**NYS PUBLIC EMPLOYMENT
RELATIONS BOARD**

Effective Date: 7/1/2007

Termination Date: 6/30/2010

PREAMBLE:

This Agreement made this 4 day of March, 2008, by and between Brasher Falls Central School District's Chief Executive Officer and Board (hereinafter called the "Employer") and Teamsters Local 687 affiliated with the International Brotherhood of Teamsters (hereinafter called the "Union"), is made in order to specify the agreed upon terms and conditions of employment and to promote the mutual interests of the parties and show their respect for each other.

ARTICLE 1 – RECOGNITION AND SCOPE

The Employer recognizes the Union as the exclusive representative of its employees in clerical classifications with the exception of the Superintendent's secretary and District Treasurer and positions covered by this Agreement for the purpose of collective bargaining and in compliance with the Public Employees' Fair Employment Act.

ARTICLE 2 - SAVINGS AND SEPARABILITY CLAUSE

If any Article or Section of this Agreement, or any Riders thereto, should be held invalid by operation of law or by any tribunal of competent jurisdiction, or if compliance with or enforcement of any Article or Section should be restrained by such tribunal, pending a final determination as to its validity, the remainder of this Agreement and any Rider thereto, or the application of such Article or Section to persons or circumstances other than those to which it has been held invalid, or to which compliance with or enforcement of has been restrained, shall not be affected thereby. In the event any Article or Section is held invalid, or enforcement of or compliance with any has been restrained, the parties hereto shall enter into immediate collective bargaining negotiations, upon the request of either party for the purpose of arriving at a mutually satisfactory replacement for such Article or Section during the period of invalidity or restraint.

ARTICLE 3 – UNION SECURITY

3.1 Membership in the Local Union is not compulsory. Employees have the right to join, not join, maintain, or drop their membership in the Local Union, as they see fit.

Neither party shall exert any pressure on, or discriminate against, an employee as regards such matters.

3.2 Membership in the Local Union is separate, apart and distinct from the assumption by one of his/her equal obligation to the extent that he/she receives equal benefits in the bargaining unit fairly and equally without regard to whether or not an employee is a member of the Local Union.

The terms of this Agreement have been made for all employees in the bargaining unit and not only for members in the Local Union, and this Agreement has been executed by the Employer after it has satisfied itself that the Local Union is the choice of the majority of the employees in the bargaining unit. Accordingly, it is fair that each employee in the bargaining unit pays his/her own

way and assume his/her fair share of the obligation along with the grant of equal benefits contained in this Agreement.

3.3 In accordance with the policy set forth under subparagraphs (1) and (2) of this Section all employees shall, as a condition of continued employment, pay the Local Union, the employee's exclusive bargaining representative, an amount of money equal to that paid by other employees in the bargaining unit who are members of the Local Union, which shall be limited to an amount of money equal to the Local Union's regular and usual initiation fees, and its regular and usual dues. For present employees, such payments shall commence thirty-one (31) days following the effective date of this Agreement, whichever is the latter. New employees, whether full or part-time will commence payment after thirty-one (31) days following the date of employment whether said thirty-one days is consecutive or not.

3.4 When the Employer needs additional personnel, the Union shall be given the equal opportunity with all other sources to provide suitable applicants. However, the hiring of all employees shall be the sole responsibility of the Employer.

3.5 In hiring clerical personnel, the Shop Steward or his/her designee will be provided with the opportunity to interview each applicant for a vacant position. The Shop Steward or his/her designee will provide input to the appropriate Supervisor or Administrator.

3.6 All procedures must be in compliance with Civil Service regulations, where applicable. No provision of this Article shall apply if it is prohibited by State Law. If, under applicable State Law, additional requirements must be met before any such provisions may become effective, such additional requirement shall be met first.

3.7 The Employer agrees to make payroll deductions of Union dues when properly authorized by the employee and shall remit the same to the Union not later than the end of the month in which deductions were made.

3.8 Agency Fee-Effective July 1, 1981, the District shall deduct from the wage or salary of employees in the bargaining unit of the Teamsters Local Union 687 who are not members of the Union, the amount equivalent to the dues levied by the Union and shall transmit the sum so deducted to the Union, in accordance with Chapters 677 and 687 of the Laws of 1977 of the State of New York. The Union affirms that it has adopted such procedure for refund of agency shop fee deduction as required in Section 3 of Chapters 677 and 687 of the Laws of 1977 of the State of New York. This provision for agency shop fee deduction shall continue in effect so long as the Union maintains such procedure. The agency shop fee deduction shall be made following the same procedures as applicable for dues check-off.

3.9 In the event that the current laws are repealed or modified so as to permit greater Union security than is contained in this Agreement, the parties hereto agree to negotiate concerning Amendments to this Agreement, in accordance with said changes.

No provisions of this Article shall apply in any State to the extent that it may be prohibited by State Law. If, under applicable State Law, additional requirements must be met before any such provisions may become effective, such additional requirements shall first be met.

ARTICLE 4 – INSPECTION PRIVILEGES

Authorized agents of the Union shall have access to the Employer's establishment during working hours for the purpose of adjusting disputes, investigating working conditions, collection of initiation fees and ascertaining that the Agreement is being adhered to; provided, however, that there is no interruption of the Employer's working schedule.

ARTICLE 5 – MILITARY SERVICE

5.1 Employees enlisting or entering the military services of the United States shall be entitled to such reinstatement rights as may be prescribed by Law in effect at the time such persons made application for reemployment, provided the following requirements are met:

- b. Is physically able to do the work;
- c. Reports for work within ninety (90) days of the date of such discharge or ninety (90) days after hospitalization continuing after discharge for not more than one (1) year.

6.2 Probationary Period

All newly hired employees shall be considered probationary for the first six (6) months of employment. It is understood that the Employer shall not use any subterfuge to prevent a new employee from gaining seniority under this provision.

A new employee may be discharged or disciplined at the sole discretion of the Employer, and without recourse to the grievance and arbitration procedures for the first six (6) months of employment. In case of disciplinary action within the six (6) month period, the Employer shall notify the employee and the Union, in writing, of the reasons for the discipline and the action taken. All procedures must be in compliance with Civil Service regulations, where applicable. No provision of this Article shall apply if it is prohibited by State Law. If, under applicable State Law, additional requirements must be met before any such provisions may become effective, such additional requirements will be met first.

6.3 Lay-off/Recall

In case of lay-off, employees shall be laid off in reverse order of seniority in the classification and shall be in compliance with Civil Service Law.

There shall be a mutual agreement between the Employer and the Union of any extenuating circumstances which might delay or prevent award of the bid. The award shall be effective at the start of the next regularly scheduled work week. If no employee bids, the Employer may fill the vacancy, first giving consideration to applicant(s), if any, recommended by the Union.

d) A trial qualifying period of fifteen (15) working days shall be allowed. The District by notification to the Union steward may extend the qualifying period for a maximum of 15 additional days. In the event a successful bidder does not qualify, she/he shall be allowed to return to her/his former position.

e) Employees who are awarded a bid shall be prohibited from bidding for a six (6) month period, except in those instances where the employee is bidding for a higher paying position for which she/he is Civil Service qualified.

An earnest effort shall be made to settle any differences immediately, and in the following manner:

Step 1: A grievance must be commenced within five (5) working days of the occurrence or awareness of the occurrence which gave rise to the dispute through an informal discussion between the aggrieved employee, with or without the Steward, and the immediate supervisor. If no satisfactory agreement is reached within five (5) working days from such informal discussion, the grievance may proceed to Step 2.

Step 2: A written statement of the difference or dispute must be filed within ten (10) working days of the occurrence or awareness of the incident giving rise to the dispute by the Steward to the immediate Supervisor.
